PROFILE

I am a computer engineering student at Hacettepe University with experience in various programming languages and technologies. Solving complex problems and developing efficient algorithms in languages such as C++, Java, Python, HTML, CSS, JavaScript and React excites me. My passion for continuous learning and keeping pace with the evolution of technology motivates me to further enhance my skills in this dynamic field.

SKILLS

- React
- HTML/CSS
- JavaScript
- C/C++
- Java-OOP
- Python
- OpenCV
- DBMS
- Algorithms
- Data Structures
- Pandas
- Numpy
- Seaborn

EDUCATION

BACHELOR OF COMPUTER ENGINEERING

HACETTEPE UNIVERSITY

2021-2026

Ankara-Turkey

GPA = 3.13/4

SECONDARY SCHOLL

Cem Bakioglu High School

İzmir-Turkey

88.6/100
